STATEMENT OF SUBSTANCE OF INTERVIEW UNDER MPEP 713.04

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Applicants respectfully thank the Examiner for the telephone interview on August 2, 2006. The interview was conducted between Examiner Randy Peaches, Primary Examiner Charles Appiah, and the patent attorney of record, Glenn M. Kubota. Agreement was reached.

The Examiner, Primary Examiner and the undersigned attorney of record agreed that the Advisory Action mailed on July 26, 2006 indicating that the amendments would not be entered because further searching was required, was inappropriate in view of the fact that the amendments submitted in a response to the final Office Action dated February 8, 2006 simply re-wrote the allowable claims into independent form as requested by the Examiner in the Final Office Action. The Examiner, Primary Examiner and attorney of record agreed that the appropriate course of action should have been to either (1) allow the case, or (2) issue another rejection and re-start the time period for reply.

Because it was uncertain whether the Examiner would have enough time to take an appropriate course of action prior to the six-month bar date of August 8, 2006, the Examiner and Primary Examiner further agreed to prepare an Interview Summary stating the appropriate courses of action, and also stating that the Advisory Action would be withdrawn and that the Applicants would not be subject to the six-month bar date (i.e. the case would not go abandoned as of August 8, 2006). Instead, a new due date would be established if the Examiner found new grounds of rejection and explained them in a new office action.

Dated: August 18, 2006

Respectfully submitted,

By
